Notification

Subject: Improvement of Internal Marks for failed students and bridge course for Non-NEP to NEP migrated students

The Principals of all the Affiliated Institutes are hereby informed that, with reference to the above, the following shall be implemented:

1. Improvement of Internal Marks for failed students – scope

For the purpose of this scheme, "internal marks" means all the internal assessment components of a subject, i.e. Continuous Assessment 1 (CA1), Continuous Assessment 2 (CA2) and the Mid-Semester Examination.

2. Improvement of Internal Marks – guidelines

a) **Eligibility:** The facility is available **only to students who have failed** in a subject. It is not available to passed students for improvement of grades.

b) **Theory subjects (optional):** Improvement of internal marks is optional. If a failed student registers for improvement in a theory subject, **the past internal performance in that subject shall become null and void**, and the student shall reappear for all the internal assessment components of that subject. If the student does not register, the past internal marks shall be carried forward.

c) **Practical / laboratory subjects (mandatory):** If a student fails in a practical or laboratory subject, the past internal performance in that subject shall become null and void, and the student shall reappear for all the internal assessment components of that subject.

d) **Fees:** An **additional fee shall be charged per subject** registered for improvement of internal marks. The fee structure will be finalized by the Board of Examinations and communicated separately.

3. Registration of students for the current semester

a) Each Affiliated Institute shall circulate a Google Form among its students for registration under this scheme. The form shall contain the fields given in the Annexure to this notification, so that the data received from all institutes is in a uniform format.

b) The form shall clearly inform the students that **once they register for a subject, their past internal marks (CA1, CA2 and Mid-Semester Examination) in that subject shall become null and void**, and that an additional fee shall be charged for each subject registered. Each student shall accept a declaration to this effect before submitting the form.

c) The consolidated list of registered students shall be submitted to the Examination Section in Excel format at **coe@dbatu.ac.in** on or before ___ **October 2026**, so that the scheme can be implemented in the MIS.

4. **Migration of students from the Non-NEP to the NEP scheme – bridge course**

Students migrating from the Non-NEP to the NEP scheme are required to complete a bridge course so as to complete 160 credits by the completion of the degree. The subjects for the bridge course shall be selected as follows:

a) The student shall take Programme Elective subjects of the earlier year.

b) To avoid any overlap of examinations, the student shall take a Programme Elective of the Summer semester while appearing in the Winter semester, and a Programme Elective of the Winter semester while appearing in the Summer semester.

c) The student shall appear for these subjects along with the supplementary students in the respective semester.

d) The student shall not take any subject for which he/she has already appeared or will be appearing.

The Principals of all the Affiliated Institutes are requested to bring this notification to the notice of all concerned students and faculty members, and to ensure strict compliance.
